For the second consecutive year Modern Piping sends one of the nations finest fast pitch softball teams into regional competition. This team sports an envious record of achievements, including ASA World Tournament runner-up, National Tournament winner, Regional Tournament winner and Iowa State Tournament winner. Modern Piping has also collected numerous first place trophies at special tournaments in Illinois, Wisconsin, Minnesota and Iowa, and is proud of it's string of championships in the Cedar Rapids Major Open League.

Steve Andrew, Mike Pallesen and Bruce Hotchkiss are especially unkind to opposing pitchers, while Gregg Bosch and Al Rausch give Modern Piping a swift left-right pitching combination that may be the best anywhere.

As sponsors of the Host team for this fine four state tournament, we welcome you to Cedar Rapids and thank you for your support of mens fast pitch softball.
