Hi Gary.

Sounds like a great guy.

Can you send both Leroy Wegmann and myself a detailing
resume we can share with the HOF Selection Committee?

Thank you.

Zack Smith played Fastpitch for 35 years as a pitcher. He
learned while he was in the Air Force from 1976-80. Air
Force base in Altus Oklahoma . His uncle Leroy taught
him how to pitch. Who played against the king and his
court. He has taught many of girls how to pitch from south
side of Des Moines most of whom had went off to college
to play. He has played for some great teams. He has state
titles B-State champ in 2006 and 2008, 2010 District runner
up, also finished 7th place in NAFA World Series in 2010
out of 82 teams. Also you won't meet a better person he
always helps anyone with anything that is just who he is. He
taught me the game of Fastpitch and how to pitch. Wasn't
a super hard thrower but beat you with great movement. I
feel that he deserves to be in the hall of fame. He has done
a lot for Fastpitch keeping our team together and going to
try to keep Fastpitch going. Thank you for your time.
